RIVER VALLEY HIGH SCHOOL

Spring Green, Wisconsin

DEDICATION

TO MRS. LYNDON BAINES JOHNSON...first lady of the land and first in the memories of many area residents.

The visit was brief but the impression was lasting. Never have we in the River Valley Area been honored by the presence of so important a visitor.

We thank you for coming and wholeheartedly join in your crusade to keep America beautiful--we like to think our "valley" is a prime example of American beauty.

Mrs. Johnson waves to members of the RV band.

Mrs. Johnson visits a local farm in our area.

Many people take pictures at the Joe Johnson farm in Clyde

Mrs. Johnson congratulates performers of "Hodag" at the Robert E. Gard Theater
Area residents gather to greet the first lady.

Mr. Sneath recognizes Anne Haas and Phyllis Berg as having achieved the top scholastic averages over four years of high school.

"I finally made it down that flight of stairs," says Jeff Alt to Sondra Pope

Final preparations are being made on a float for the homecoming parade.

Do you think the crowd will ever get here?

You're a real help

He's glaring at me

What do you think I ought to name my pullet?

It helps if a man's got a good strong wife!

THE EGG AND I

There's a good reason why you didn't see it--there isn't any!

You wore my skirt when you went out with Thad

I don't get up 'til after 5!
Let me take your jacket
J-J

How about a hunk of cake right now?

Get out of here--this is our wigwam!
Nice 'n heavy--won't get snags in them!

Would you like a fanfare of trumpets!
Swing your partner and away we go!

Them the best you got!

You moved my robe away on purpose!

Is it time to eat yet?

Out to Mother Nature, girls!

Did you feel you were designed for greatness?

Thought maybe you'd want to ride to the Grange with us.

The MacDonalds finally get a new bathtub!

Right this way--

ANNUAL STAFF

The Annual Staff has worked throughout the school year compiling pictures of the year's activities in order to give you a yearbook covering the events for the school year 1967-68. This year's book is the largest ever and it contains 1,113 pictures. The staff sells ads and subscriptions to completely cover the cost of the yearbook--approximately \$2,500. For the first time in this school's history, the staff has designed its own cover and end sheets.

The Staff is divided into 3 main areas--subscriptions, advertising, and layout (The designing of pages). Staff members could sign up to work in one or any combination of the three groups.

Much time, effort, and work has been put into this book--our hope is that you enjoy it!

FHA

The FHA is an organization which helps to promote a girl's interest in home economics.

Each year the club holds bake sales, sells refreshments at the school fair, has a Christmas party, sponsors an orphan, and holds a Sweetheart Dance. For the Sweetheart Dance we choose a girl from each class to run for the title of Sweetheart Queen.

During the summer four girls are chosen to attend the state FHA convention which is held at Green Lake.

At the annual FHA banquet, held in the spring, our chapter mother is announced. This year our chapter mother is Mrs. Layton.

Every spring new officers are elected to continue the rewarding and valuable services that the Future Homemakers of America provide for girls.

GERMAN CLUB

The German Club offers the student the opportunity to participate in worthy projects--the most noble of which raises funds for scholarships for deserving students who maintained high morale throughout the three-year program. In the fall the organization visits the "Wilhelm Tell" Festival in New Glarus. During the Spring season the club takes their annual field trip to sights where German Culture may be observed. The academic year climaxes with a Program designed for the enjoyment of the parents: International Night.

Good Heavens! You're in a terrible state. What has happened?

HEAT LIGHTNING

A man--he hadn't heard me--he was pulling something out of the car.

Say, you're really upset, aren't you? Has somebody been bothering you?

I don't remember. I don't remember seeing his face.

Look! Watch the sky the next time there's a big flash.

Listen Lady, all I wanted to do was drop in and pick up a little pocket money!

Oh hello dear, is that you! This is Clarence.

NOBODY SLEEPS

I'll tell you where sister keeps her money if you'll cut me in on it!

It's too bad! For a burglar you look as if you might have lots of talent.

Can I put my hands down now?

Ah! Food at last!

Come to bed Daisy. I think I'll have to talk with your father when he gets home.

"Excuse me, there's a little spot"

"That's nice--where did you get it?"

IF MEN PLAYED CARDS LIKE WOMEN DO

"I'm not sure I like this desk where you have it."

"How does it look on me?"

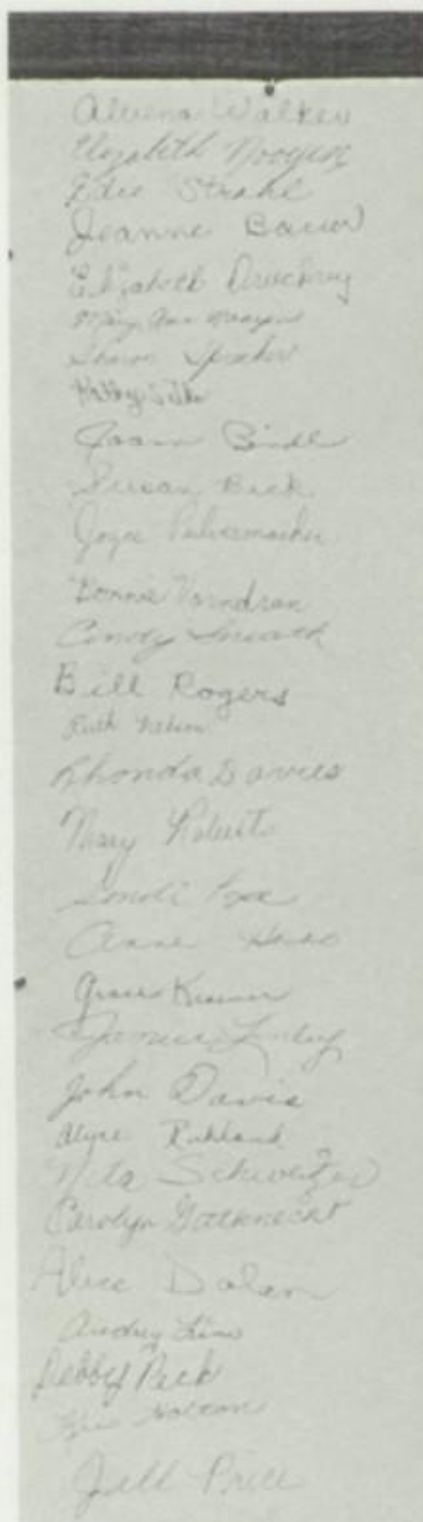

"Well, I'm told - and I got this pretty straight, mind you."

"The girls get ready to play cards."

"Oh, say!" That's a new hat, isn't it?"

FTA

One of the youngest organizations of our high school, the River Valley Chapter of Future Teachers of America observed its charter-granting ceremony in November, 1967, with a banquet and an impressive program. The FTA is under the sponsorship of the National Education Association, and locally, of the River Valley Education Association. The goal of this organization is to seek to interest promising high school students in teaching by providing a variety of experiences for its members. As a special service this year, the River Valley Chapter participated as Co-Host at the FTA sectional meeting of the Southern Wisconsin Association Workshop in Madison in February.

And clear that stuff off the porch of my hotel!

Little Jake - what ya' got your sleeve for?

A N N I E

Look kids, it's easy--

I'll throw a saddle on his back--

There's a Gal in Arkansas. . . I'm a Bad Bad Man

You can't get a man with a gun!

All you got to do is say, "PULL"

The cowboys. . . the wrestlers. . . the clowns. . .

Start readin' right here Annie--

March right to the door of Pawnee Bill's show--

"Ain't we got a table cloth too?"

"Doin' what comes naturally"

Is it right eyebrow to left throat? or . . .

GET YOUR GUN

Shows merge - then you and Frank get together

Who do you love I hope . . . it's me

"And then you'll break out in a cold sweat."

"Why don't you go find that bench and wait for me?"

One Little, Two Little, Three Little Indians

"So count your sheep Momma's singing you to sleep"

SPANISH CLUB

Spanish Club was formed as a natural outgrowth of class. This gives more time for cultural studies and social activities. It also provided a continuing relationship with the Spanish heritage. Plans for the year included a party celebrating the burial of "Bad Humor" prior to Lent. Annually the Spanish Club joins with the other two foreign language clubs for an International Night.

NATIONAL HONOR SOCIETY

"In election to the National Honor Society, the secondary school faculty honors the attainments already made and recognizes the promise they contain of continued excellence in the cherished ideals of a school." This foreword to the NHS Handbook best expresses the MEANING OF SELECTION for NHS made by the River Valley High School faculty. The PURPOSE of the organization is to create an enthusiasm for SCHOLARSHIP, to stimulate a desire to render SERVICE, to promote LEADERSHIP, and to develop CHARACTER in the students of American secondary schools. The highlight of the year for the River Valley Chapter is the induction of new members at a banquet held in the second semester.

LETTERMEN'S CLUB

The Lettermen's Club SHOULD be to provide an opportunity for boys to be a part of a club that is built around leadership, responsibilities, sportsmanship, good citizenship, and most of all pride in America's greatest heritages--the right to play and compete. Mere participation in the Lettermen's Club or in the athletic program will not guarantee these objectives being achieved. In fact, many boys do not always participate in sports in a manner so as to make sports a beneficial influence in their lives. These boys are interested only in crowd adoration, with school studies, policies, and athletic training regulations something to be circumvented if possible.

NEWSPAPER STAFF

This organization strives to give the student an opportunity to express himself through creative experiences integrated in the editing of a newspaper.

The duties performed by the staff start soon after the beginning of the school year. The staff publishes a monthly paper, compiling the activities of the school and other fundamental information.

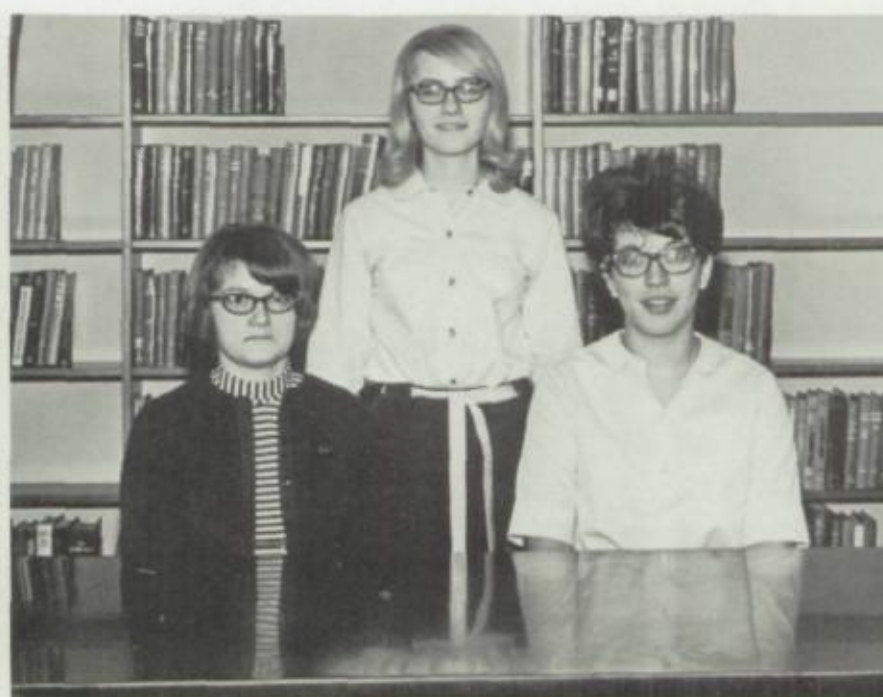

The club actually has two purposes. First, to provide an opportunity to express views and reactions; second, to develop an observative, organized and perspective student in leadership, service, character, cooperation, and patriotism.

LIBRARY CLUB

Library Club is one of the school-sponsored activities. Anyone interested in the library was encouraged to join. The purpose of the library club is to learn about libraries and library service to fellow students.

As related activities this year the club had an entry in the Homecoming Parade, winning a first in its category. The Library Club also planned a trip to visit a neighboring library. The projects were financed by cupcake sales and the sale of paperback books to students.

LIBRARY AIDES

Students interested in volunteering a free hour to library service may do so as library aides. As aides they learn some of the routine library tasks. These tasks this year have included checking student passes, charging books out and in at the circulation desk, shelving books, and supervision of the periodicals room.

Library aides have a second purpose for joining the group. Many of them desire to learn about the library and the possibilities in the library profession.

STUDENT COUNCIL

The Student Council is the student government of River Valley High School. Classmates choose members to represent them and it is their duty to find out what the students want done and to decide what should be done so that the majority will benefit.

Student Council members have a very important responsibility. They act as the link between the administration and the students. The Student Council cannot do the job alone--the students must show the desire to be represented or the organization loses its purpose.

As one of their projects this year, the Student Council sold ice cream during the noon hour.

GAA

The Girls' Athletic Association is a newly formed club this year. The purpose of the club is to promote sportsmanship, promote interest and appreciation of group and individual recreational activities, and to further their interest for future activity out of school. Our objective is to sponsor activities which will help meet our goals of promoting sportsmanship and interest and appreciation of group and individual recreational activities. Each girl may earn activity points. These points are applied to earning a sports letter.

CROSS COUNTRY

The most valuable runner and captain of the Cross Country team was Albert Hail. He succeeded in coming in first for River Valley at every meet. The River Valley record for the 2.2 mile cross country course was set by Albert Hail with a time of 10'30".

Cross Country is an endurance run over a course that is most often hilly and rough turfed. Seven runners make up a team but only the first five enter into the team score. The team with the lowest point total is declared the victor. The team finished with a record of 2 wins and 8 losses.
